

# MIND TO MIND

*April 8, 2010*

*Taken from a church bulletin (not ours!):  
The sermon this morning is "Jesus Walks On The Water".  
The sermon tonight, "Searching For Jesus".*

The human race by and large appears to be living in a constant state of confusion.  
We say one thing and do another. We do one thing and deny doing it. We  
want to believe in a better tomorrow but can't forget how bad yesterday was.

I told the Thursday class that I don't believe in the word "confusion".  
I also don't believe in the word "procrastination". I think we use these words  
as though they exist when in truth, we "don't want to".

The illusion of confusion exists when we don't know our highest source of  
information.

We procrastinate when we don't want to be happy.  
Do I follow the integrity of my heart or do I follow the fears of others.  
Do I listen to the voice of love or do I listen to the voices of fear.  
Do I whistle in the darkness while I pretend I don't know if I am safe?

Here is a Truth! God is you. God is love. God has no adversary.  
God is pure intelligence ergo!!! we all know what to do. We know the  
higher road... the best and highest choice available. God is all-knowing  
ergo!!! I am all-knowing.

As a friend says, "you either believe this *stuff* or not!"  
That's true. You cannot half-believe.

Deepak Chopra says to live responsively to life by subtle action.  
*Go within with intention. Believe something is listening.  
Hear the response. Be ready to change. Everything, body  
included, will shift if you really want to change. (Be Happy)  
If at first you don't succeed, do it again and again until  
YOU change. (Be Happy)*

*The Fasting and Prayer Conference includes meals.*  
That's a joke!!!!

Be Happy! Someone loves you!!  
Margie Ann....always

# EASTER 2010

Each Easter I think...this is the best! Last Sunday, EASTER, really was the best!! We are so blessed with the talent that comprises our Music Department. I pinch myself often questioning how a little girl from a farm in Missouri got so lucky to work with such a giving, talented group of people.

I know that you know but I need to say it again for myself, the Choir and Soloists, Dick, David, Lenny and Mark Sieloff work diligently to produce such an outstanding performance.

Many hours of rehearsal. A major commitment to this ministry. A sweet friend of mine sent a card expressing it so well, she said: "The great feeling will stay with me for a long time. God is my source."

Inspiration and realization in a time that desperately needs to remember from whence all things come.

To the ECC Music Department...you bring tears to my heart and new life to my mind. Thank you, Dr. Margie Ann

## CREATING

You and I are Creating ALL of the time! ("made in the image and likeness of your Creator") Just what are you Creating? A Mother is creating an environment for her children, with every meal, every activity, every hug, etc. A Father can create a leadership role of attitudes whether they be positive or negative within the family. Every moment of our lives we are using the God Energy that surrounds us ("in Him we live and move and have our Being!") for Good or not so Good.

One could elaborate endlessly on what we are creating.

Dr. Donald Dossy gave us a formula that is an excellent guide which is: "Think, Feel, Do, Have". Notice the action word. *Do. Another word for Create.* It is easy to get stuck in think and feel, going in circles, without moving forward. To become Conscious of what we are thinking and feeling is a first step. However, habits are very strong and can dominate our lives without our conscious awareness.

A thorough house-cleaning of our mind is in order. Today is a new day!!!

*What are you going to Create?*

Love to you and yours, Rev. Jody Lechner

BRIAN MacLEOD WAS ELECTED TO THE BOARD OF DIRECTORS OF  
ECC ON SUNDAY, MARCH 21<sup>ST</sup>, 2010.  
THANK YOU, BRIAN, FOR YOUR LOVING SERVICE!

# NEWS AND VIEWS

Easter Sunday I shed a tear. Two of our children who started in the ECC Sunday School many moons ago participated in the Collection of our Tithes and Offerings. Johnny Kay and Michael Manzanares are all grown up now. They are the perfect outpicturing of our philosophy...confident, loving, intelligent and aware of Spirit in their daily lives. Johnny Kay and Michael both are Sunday School assistants, helping Jean Bitterly take care of and teach our children to love life.

On March 28<sup>th</sup>, Palm Sunday, they officially became voting members of our congregation. They are the youngest members during my service of 20 years at ECC. I know they do not take this lightly.

Don't you wish all of the children on this planet lived by the principles that these two magnificent young people live by?

I see Michael and Johnny Kay's consciousness expanding exponentially.  
Two can change the world.  
And these two can do it!

I love you both so much it humbles me. Margie Ann
